## Property

Everard Cole are delighted to be able to sponsor the 'Pub of the Year' Award at the East of England Tourism Awards 2022-2023. Areas covered this year will be Hertfordshire, Cambridgeshire, Norfolk, Suffolk and Essex. So please get your nominations in, as there are so many outstanding pubs in our region that deserve to be recognised, especially after the past few tough years.

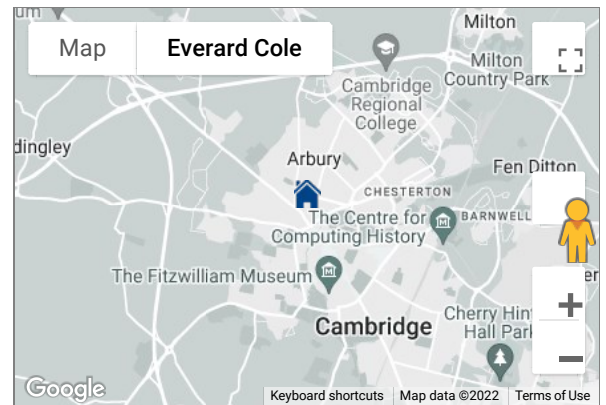

Everard Cole have been the most productive agent in the East of England during the past few years and we are rapidly growing as a result of a number of notable sales and letting. Our small team is made up of the most experienced agents in the region. As well as having first-hand knowledge of front and back of house experience.

The market has changed significantly over the past few years and as a result, operators are reluctant to market a perfectly profitable opportunity for fear of staff and trade retention. This is completely understandable, and even though there are a number of acquisitive operators looking to take on-going concerns, your staff know the local trade better than anyone!

Everard Cole have worked together with a number of national, regional and independent operators over the years to establish trustworthy relationships that ultimately result in satisfactory sales in a quick and professional manor, depending on client circumstance.

We are delighted to say that we are busy overseeing a number of transactions and happy to have an initial 'discreet' conversation in the first instance.

Please do not hesitate to contact us and we will arrange a convenient time to come and visit you.
